

## HUACI Matt Black Finish on Stainless Steel

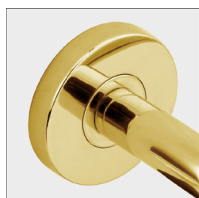

Architectural Hardware Range

**HUACI Hardware** Matt Black finish is becoming a trendy finish in residential and architectural hardware application. **HUACI Hardware** introduces our Matt Black finish on stainless steel material to offer a balance between the bold and solid **esthetic's** and the durability and strength of the stainless steel material.

**HUACI** offers a suite of hardware products with a unified black finish to compliment most of the door fitting aspects from lever handle, hinge, cylinder, locks and many accessories.

**HUACI** also provides custom hardware in Matt Black finish **for all door handle** and many other architectural finishes in PVD or plated process.
